

# 2020 YEAR IN REVIEW

---

## WHAT YOU ARE DOING:

Every year we believe it is important to look back at the year we just completed. As a family we sit down in January and remember all that has happened. We pull out our pictures and our calendars and remind ourselves of all that we have done over the last 12 months. We tell stories and share our favorite part of an event. We count our blessings and talk about ways God has provided for us.

## HOW YOU DO IT:

We break the year into three month quarters. Each child picks 1-2 favorite memories from that quarter and puts them in the designated square. They can write down the memory. Or they can draw a picture. It is okay for each family member to pick a different memory.

**You only need to print 1 page for each child in the color of their choice.**

## MY FAVORITE MEMORY FROM 2020

In this box the child can put their all time favorite memory from the year. Encourage them to tell why it is their favorite.
